FOREWORD

Inside a still violin there flame
A thousand songs;
Deep in the heart of a pale, pale seed
Sleeps a green giant-to-be;
The lake smiles a rippled
Invitation to a million mysteries below.
Wings flutter, sparks die, snowflakes
Fly to nothingness to guard their
Precious secrets.
The end of a rainbow comes yet,
Beams on to infinity.
Every door is a magnet and
Horizons never end.
What makes the grass green?
Why is the sky blue?
Clouds hang low and yet the
sun shines through;
The wind knows no bounds;
Go
Climb a mountain,
Shoot a star,
Split an atom
Into a new world.

DEDICATION

Sincerity, understanding, and devotion — these are the qualities that have made Miss Adele Apfel one of the outstanding members of H. Frank Carey's faculty. Since the day that the doors of our school were first opened to its students, Miss Apfel has endeavored to make Carey a better school and its students better citizens.

After receiving her bachelors degree from George Washington University, Miss Apfel embarked upon her career in education as a kindergarten teacher. Since then, she has taught on elementary, junior, and senior high school levels. In 1962, she received her masters degree in Library Science from Queens College. It is in this capacity, as a librarian, that she now serves the junior high.

This year, as the Class of '63 graduates, Miss Apfel completes her twenty-fifth year in the field of education. She considers the rewards of her chosen occupation to be the students themselves. To her, each student maintains his individuality and her genuine interest in each and every one of them is only one of the numerous factors that contributes to her success as not only a teacher, but also as a person.

We therefore dedicate this 1963 edition of the LOG to Miss Adele Apfel in recognition of her services to H. Frank Carey High School and as a token of our appreciation for her sincere interest in the students of this school.

To the Class of 1963:

Much could be recorded as evidence of the outstanding achievements of the Class of 1963 during the past six years. I am certain that Dr. DeSonne would agree that the high spirit and positive attitudes which you have consistently demonstrated have been indicative of the leadership of your class in all phases of our school life. Those who will follow you have a solid foundation upon which they may continue to build for Carey.

This has been a good year in many ways for you. The high academic standings achieved; the many scholarships and awards obtained; the Phi Beta Kappa and National Honor Society awards and Regents scholarships received; and the fine growth and honors obtained by our school publications are but a few of the achievements of your class.

The Class of 1963 can also be credited for many "firsts" which you have helped achieve so successfully this year: the establishment of the Senior High School Honor Roll; the new Senior Service Squad; the Annual Bon Fire; the winning of the "Golden Shoe"; and the organization of the Senior Court and well-deserved privileges are but a few.

However, these are now part of your past as well as new Carey traditions. You have served your Alma Mater well, and in turn, we hope we have prepared you in so many ways for the many difficult years ahead.

This is your challenge to fulfill: to search, to find and to serve to the best of your ability for a better world of tomorrow.

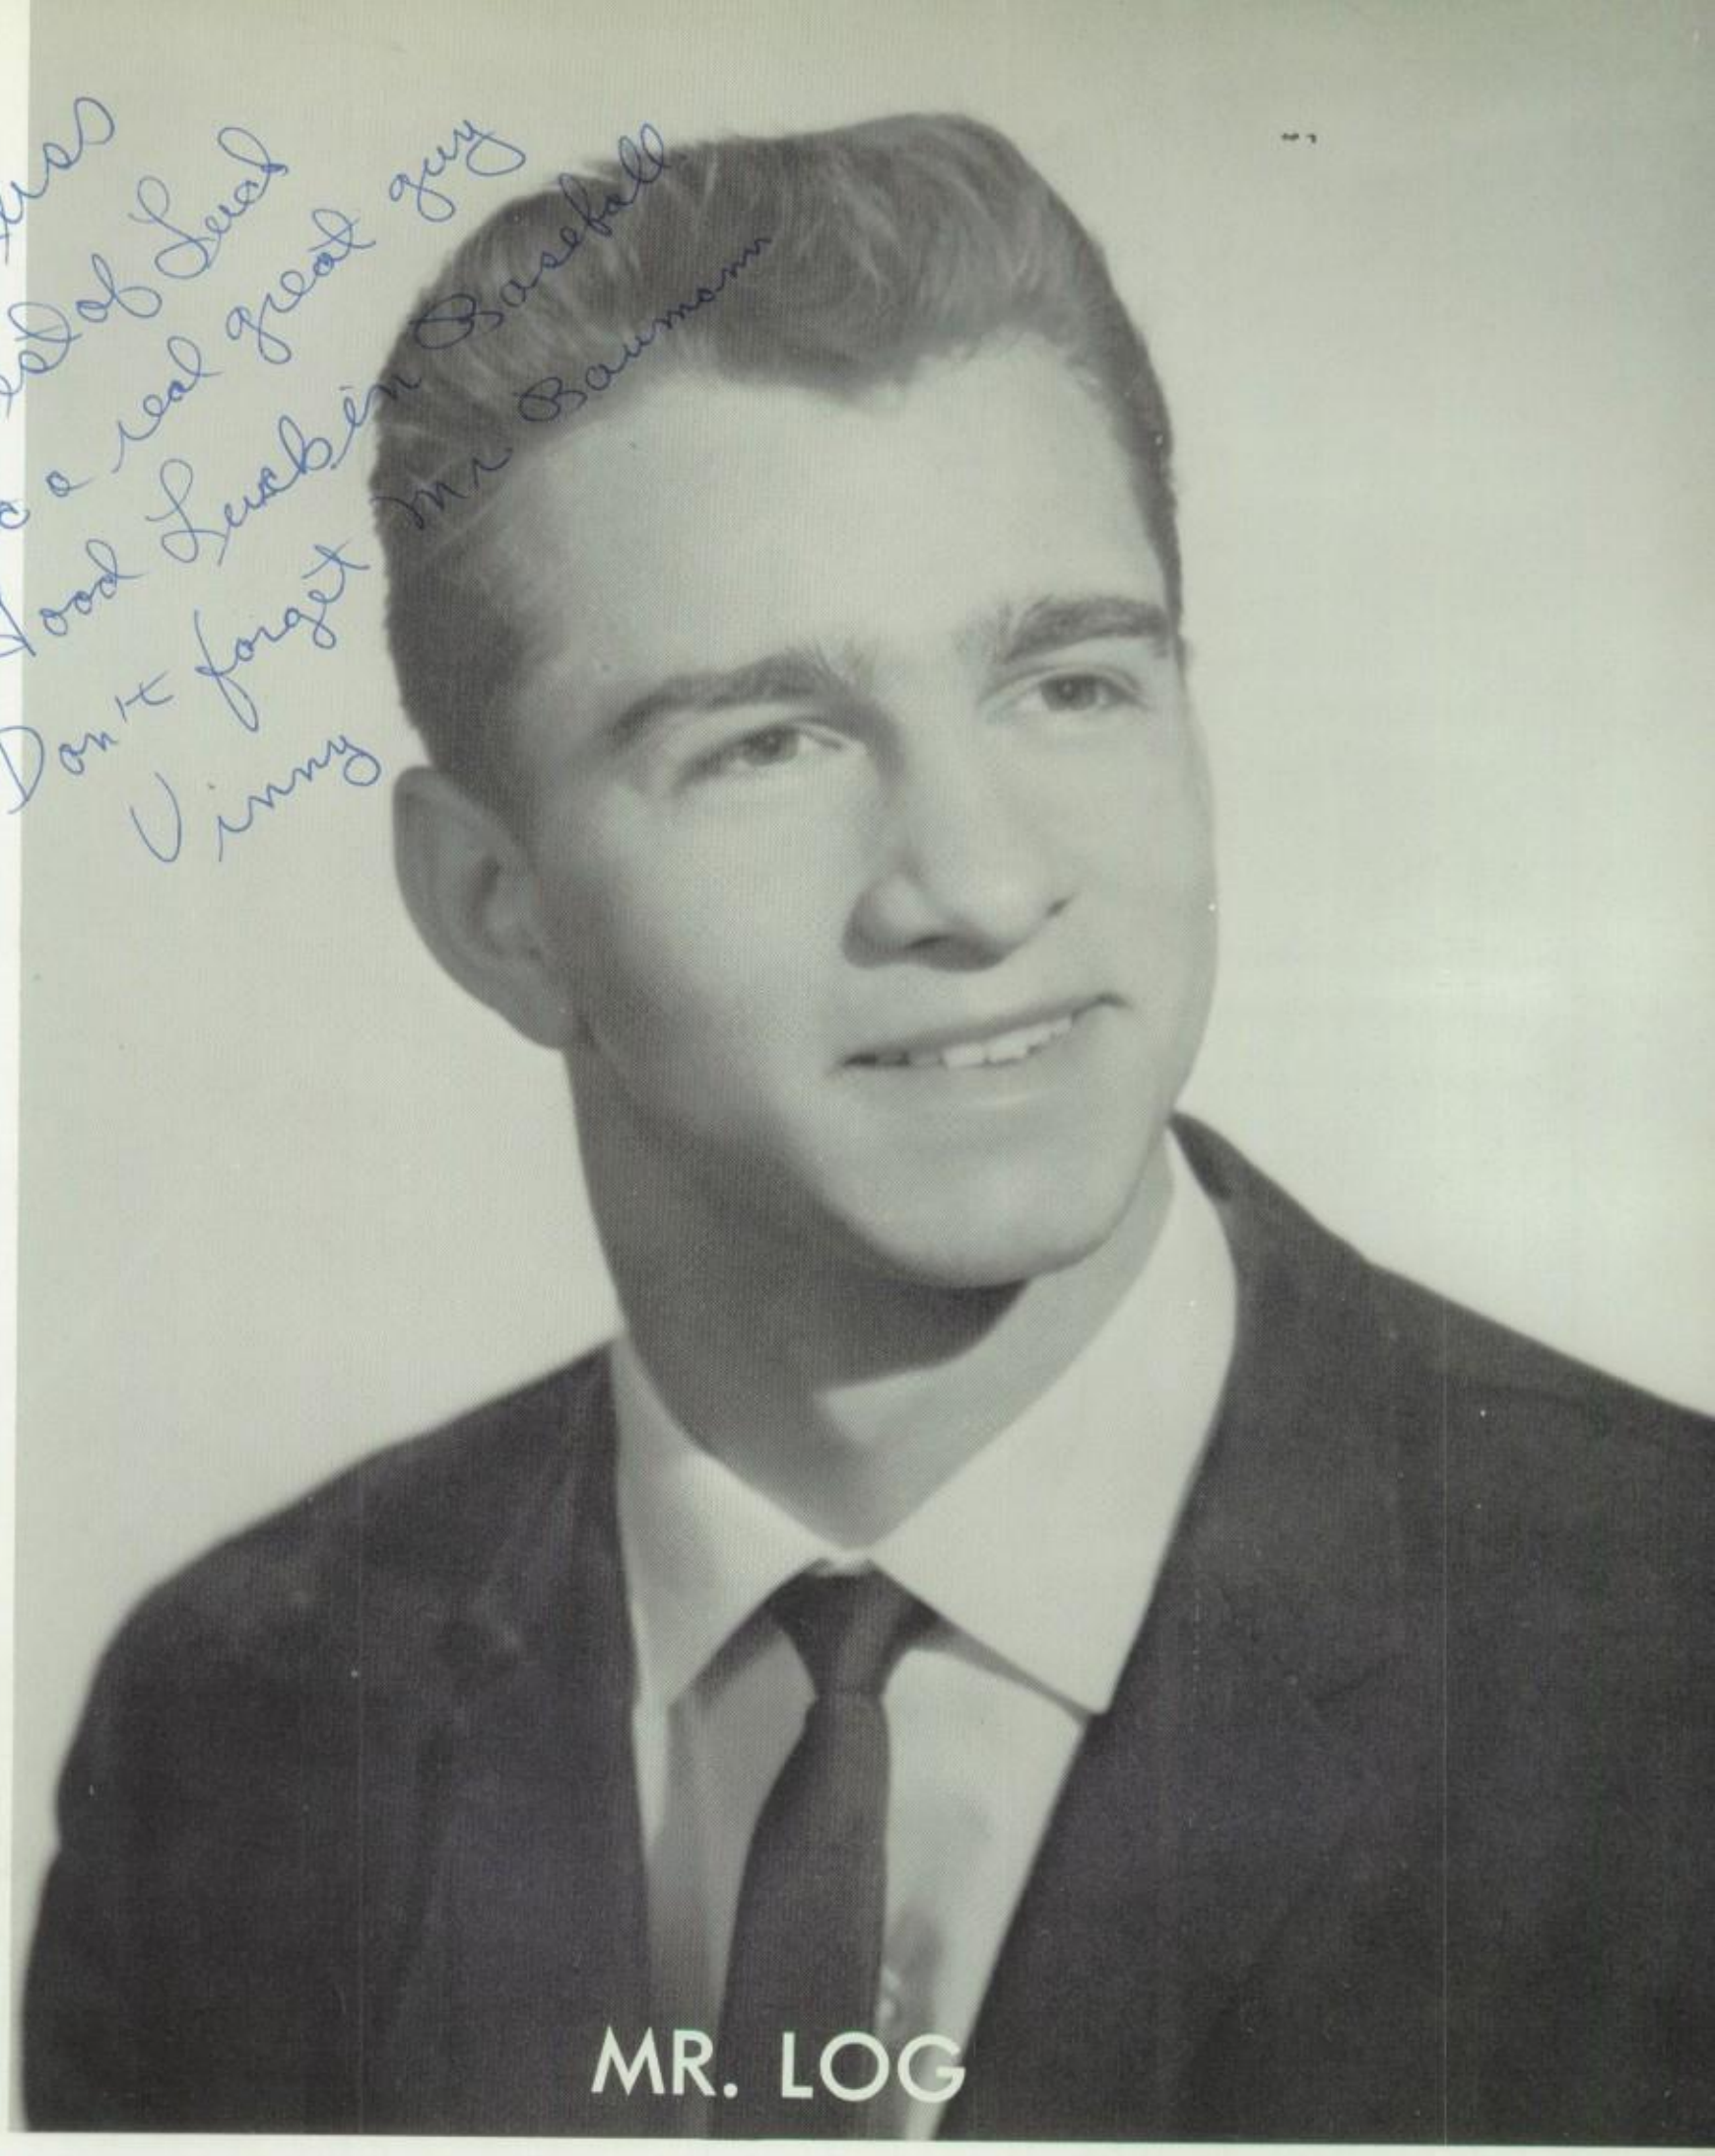
SENIORS



Vincent Leanzo

Situated in a prominent location in our gym is a large sign which reads "Great in sports, greater in sportsmanship." This phrase appropriately describes Mr. Log 1963, Vinny Leanzo.

An excellent sportsman, Vinny was co-captain of this year's fine varsity football team, and his performance on the football field was an indication of his ability in sports. Vinny has the distinction of having been voted the most valuable player on our team and also being chosen for the Daily News' first string team. His busy schedule also includes basketball and baseball, where once again he led our team on towards victory.

However, our Mr. Log's interests are not limited to sports alone, and he is well liked for his friendliness, great personality, and sense of humor.

Popular Vinny has plans of becoming a physical education teacher and he would set a fine example for aspiring sportsminded students.

MISS LOG

Marie Pesce

Vivacious, sincere, and friendly Marie Pesce has been selected as this year's charming Miss Log 1963, and is a fine characterization of all the admirable qualities which she represents.

A school-spirited sports enthusiast, Marie has been a cheerleader throughout all her years at Carey. She was co-captain of the Freshman Cheerleaders, captain of the Junior Varsity Cheerleaders, and for the past two years has brightened the scene on our Varsity Cheering Squad.

Marie has always been an avid participant in school and extra-curricular activities, and she has demonstrated outstanding leadership as President of Sophomore Board and an active member of both Junior and Senior Boards. The activities of our Miss Log have also included membership in G.A.A., Student Council, and the recently established Senior Service Squad.

Ambitious Marie is destined for a bright and successful career in nursing after she completes her training at St. Vincent's School of Nursing.

IN MEMORIAM

As dawn sent forth its first gold rays of light
And heaven's dome revealed its early hue,
The roses, moist with silv'ry drops of dew
Displayed at once their fragile blossoms bright
While flocks of snowy doves in peaceful flight
Across the purple mountains slowly flew;
That here (our hearts enraptured by the view)
In reverence we knelt before this site.
Yet long before the treasure we could store
Darkness fell and brought with it the rain
So then no longer earth her beauty bore
For night upon her soul its mark had lain.
Though passed from mortal eyes this day e'ermore
Its mem'ry always shall our hearts retain.

G.O.

Many favorable adjectives may be used to describe the activities of G.O., but such words are not necessary, for the facts speak for themselves.

One of these facts concerns the sale of G.O. books. This year, G.O. has sold a total of 1,570 G.O. booklets — more than have been sold in any previous year.

It was G.O. that initiated a new Carey tradition — a bonfire and pep rally the night before the big Thanksgiving Day game. It was also G.O. that organized the "March on Sewanhaka," with its twenty-five floats and ten marching groups. G.O.'s own entry in the parade, entitled "Get That Shoe," was a float carrying three kings and three queens. At Christmas time, they distributed greeting cards to the faculty and a small gift to each of the maintenance men.

Another project of G.O. has been the construction of a student center. They have also issued a dress code and a student activity pass system.

SR. STUDENT GOVERNMENT

SENIOR STUDENT COUNCIL OFFICERS, left to right: Bill Shapiro (Hist.), Michelle Broschart (Corr. Sec.), Jackie Knittle (Rec. Sec.), Betty Aufenanger (Pres.), John Filose (Vice-Pres), Janet Beckley (Treas.).

Those matters which pertain to the senior high are discussed and acted upon by the Senior Student Council. Under the guidance of Mr. R. Gallagher, this organization has done much for our school.

One of the major projects that the Senior Student Council undertook this year was a landscaping program for Carey. A continuation of last year's program, this project has helped make our school grounds more attractive.

Another major project that has been carried over from previous years is the adoption of an orphan through the Foster Parents Plan, Incorporated. By participating in this program, the Senior High Student Council and the students of Carey have helped bring joy into the life of Maria Angela Purinu, a young Italian girl.

Senior Council also worked on a student handbook which would especially help acquaint new seventh graders with our school. At Christmastime, this organization worked with G.O. to distribute season's greetings cards to all members of the faculty. In addition, Senior Student Council made possible the annual March Jamboree, one of the highlights of the school year.

SENIOR BOARD

Considering the many worthwhile accomplishments of this year's hard-working Senior Board, it is an understatement to say that this busy and efficient group has contributed a great deal towards setting high standards and establishing new traditions at Carey. The success of this determined organization may be largely attributed to the valuable assistance of Mr. Adach, class advisor, and the enthusiasm and active participation of the members of Senior Board. The "Senior Scene," class newspaper, informed the students of Senior Board's diverse activities, including the impressive "Golden Shoe" float in the March on Sewanhaka Parade, the Christmas Party for a class of deaf-mute children, and the beautiful "Flamingo Lounge" booth at the March Jamboree. Seniors utilized profits earned by the soda concessions, the sale of Valentines, and the very enjoyable Senior Class Play, to finance their activities throughout the year. Senior Board will be remembered for setting many new precedents, among them, the establishment of a Senior Service Squad, the organization of an outdoor graduation and a memorable final event, the Senior Banquet.

JUNIOR BOARD

JUNIOR BOARD OFFICERS. **FIRST ROW,** left to right: Kennith Bertang (Historian). **SECOND ROW:** Elizabeth Chatterton (Vice-Pres.), Virginia D'Avanzo (Treas.). **THIRD ROW:** Eileen Kleeman (Rec. Sec.), John Breglio (Pres.), Jackie Delongo (Corr. Sec.).

Active, school-spirited, and creative are three of the adjectives which best describe this year's Junior Board. Under the guidance of Mr. A. Cavallero, this group has done a noteworthy job of coordinating the activities of the Junior Class.

As early as October, the board began to plan for one of its biggest events — the Junior Prom. This early planning helped insure the prom's success.

The originality of this group was proven by the Junior Class Play. Tremendously enjoyed by all its viewers, this hilarious production was presented to each of the three different assembly groups.

For the Thanksgiving Day Parade, the Junior Board built a beautiful float. At Christmastime, this group adopted a family.

As a service to their classmates, members of the board have issued a Junior Class newspaper. Junior Board also made arrangements for the measurements for class rings and an early distribution of them.

Paul doesn't seem to mind being put in a straight jacket.

Juniors proudly wait to be measured for rings.

SOPHOMORE BOARD

Officers: Eugene Huber, Treasurer; Wanda Costa, President; Stuart Lourie, Vice-President; Diane Chimento, Historian; Susan Zucchelli, Secretary; Linda Keehner, Secretary.

Sophomore Board, under the guidance of Miss S. Barracca, has endeavored to coordinate the activities of the Sophomore Class. For the March On Sewanhaka, this group built a float entitled "Sink Sewanhaka." To raise money, Sophomore Board maintained a potato-chip concession at all home basketball games. Members of this organization also planned an assembly and had a booth in the March Jamboree. Sophomore Board sponsored the Sophomore Hop, as well as another dance.

As in the past, this year's Junior High Student Council has continued to further the welfare of the students in the junior high school. Under the guidance of Mr. S. Greenstein, this governmental body has achieved its goal by uniting, representing, and governing all junior high students.

For a Christmas project, this group sponsored an orphan drive to help the orphan that our school has adopted. The Junior High Student Council also maintained a ring-toss booth in the March Jamboree and sold candy canes in order to raise money. Other achievements of this active group include the junior point system bulletin board, sponsorship of several school dances, and the construction of an original float for the Thanksgiving Day March on Sewanhaka.

9th GRADE CABINET

An active organization of junior high students, the Ninth Grade Cabinet exists for the purpose of organizing activities and programs for students in the ninth grade.

For the Thanksgiving Day Parade, this original group created a float based on the theme "Sweet'n up Sewanhaka for the Kill." "The "Snowflake Festival," a great success, was sponsored by the Ninth Grade Cabinet as a mid-winter dance for the entire junior high. Other major projects included the production of an assembly to entertain their classmates and also the construction of a booth for the annual March Jamboree.

Eagerly awaiting their entrance into the senior high, members of the Ninth Grade Cabinet have already proven that they possess the leadership and energy so vital to the success of their class' endeavors.

8th GRADE CABINET

Eighth Grade Cabinet Officers: J. Brian, S. Schwartz, N. Horstman, J. Marino, R. Linde, P. Berger, R. Cannata.

As one of the governing bodies of the junior high, the Eighth Grade Cabinet strives to coordinate various school activities and to help make the eighth grade class an integral part of Carey life.

Lending its support to projects which benefit the entire school, the Eighth Grade Cabinet participated in the festivities of the Thanksgiving Day football game (see picture below) and also helped promote the annual magazine drive. In addition, this group sponsored various dances for the enjoyment of not only eighth, but also ninth grade students.

Besides participating in these various activities, members of the Eighth Grade Cabinet profit from an understanding of parliamentary procedure and the development of a sense of responsibility towards fellow students.

7th GRADE CABINET

Actively working towards making the school year a successful one, the seventh grade cabinet has become an indispensable instrument in the planning of its grade's activities.

Sponsoring dances constitutes an important part of this group's work. Two such functions, the "Mexican Christmas Dance" and a "Valentines Dance," were enjoyed by many seventh grade students. The big event of the year, however, is the dance they sponsor at the end of the year for the entire junior high.

For the Thanksgiving Day Game festivities, the seventh grade cabinet constructed a float depiciting a graveyard scene and, naturally enough, the burial of Sewhanaka. In addition, the seventh grade cabinet sold popcorn at all home football games.

HONOR SOCIETY

Scholarship, character, leadership, and service — these four-qualities are the qualifications for membership in the National Honor Society, an organization formed to promote, as well as honor, outstanding scholarship.

Carey's chapter of this organization renders many services to the school and individual students. One of these services is the daily collection of attendance cards by Honor Society girls during homeroom. In addition, this year's Open School Night functions were organized and staffed by members of Honor Society. Honor Society members have also set up a working system of tutoring for the purpose of aiding those students who require help in various subject areas.

As a result of its activities, the Honor Society has become an integral part of Carey and a stimulus for students to better themselves and their grades.

CAVITIES

Supporting and promoting the exchange student program of the American Field Service is one of main activities of Cavities, Carey's citizenship activities club. To help raise the funds necessary for the project, Cavities and the G.O. co-sponsor "Carey Nite." The showing of the movie "Gigi" and the appearance of a professional hypnotist helped make this year's Carey Nite a huge success.

By holding a special assembly, Cavities also helps acquaint students of our school with exchange students from other Long Island high schools.

This year Cavities helped install in Franklin Square, the Town Affiliations Program. An experiment in world relations, this program seeks to link our community with a town in a foreign country and create bonds of interest and friendship between them.

FUTURE TEACHERS

Preparing its members for careers in the field of teaching and serving the community is the primary purpose of Carey's chapter of the Future Teachers of America. Under the guidance of Mr. R. Bessel, the members of the club prepared lesson plans and practiced teaching at meetings. These future teachers also invited several guest lecturers, gave presents to needy children at Christmas, and sent Christmas cards to veterans. Still other activities of this active club included sponsoring a teachers tea, participating in the Red Cross Drive, having a booth in the March Jamboree and planning a trip to Hofstra College.

THESPIAN SOCIETY

Thespian Society is a newly formed club at Carey which is often confused with a former organization the Dramatics Club. The members of this new club adopted the name "Thespians" because of their aspirations to become part of the National Honor Society for Dramatics.

The primary aim of the Thespian Society is to promote a greater interest in the dramatic arts. This year's Senior Class Play, "You Can't Take it With You" was one of the several productions sponsored by the members of this group.

GIRLS' LEADER CORPS

Girls Leader Corps is an organization established for the purpose of developing leadership and responsibility within its members.

Members of this organization actively assist the Girls' Physical Education Department during classes and intramurals. Before gaining admittance to the Girls' Leader Corps, each girl is given a test and is judged on the basis of leadership, recommendation from subject teacher and ability to analyze the basic skills of sports.

In the March on Sewanhaka, the members of the Corps carried the school banner and served as a color guard.

G.A.A.

Coordination the girls sports activities in the senior high is a prime function of the GAA. Each year, the members of this organization sponsor volleyball and basketball tournaments. In addition GAA organizes various teams for interschool competition.

Undertaking charitable work for a needy group, and maintaining a concession at home games are also activities of this club. In the spring, GAA holds an awards banquet for the presentation of awards earned by intramural participants.

To culminate the year's activities, GAA sponsors a picnic in the spring. It is usually held at a state park and all members of GAA are invited to attend.

The membership of GAA is quite large. In addition to its regular membership, all Varsity Twirlers, Varsity Cheerleaders, and Pirettes receive automatic membership in GAA.

Providing assistance to the teachers of the physical education department is the main purpose of the Boys' Leader Corps. The duties of the boys in this organization include taking attendance, leading exercises, and demonstrating skills. Their assistance allows the teacher to devote more time to individuals in the class.

Pres. — Don Gress, Vice-Pres. — John Breglio, Secretary — John Filose, Treasurer — Bill Ciaburri.

Furthering athletics in our school is one of the primary purposes of the Varsity Club. While promoting good sportsmanship and wholesome school activities, this organzation also gives varsity lettermen an opportunity to have a voice in the administration of athletics. The Varsity Club also promotes good fellowship and encourages the development of school spirit. By fulfilling these goals, the Varsity Club has truly facilitated the effectiveness of Carey's physical education program.

THE LOG

Layout work, leg work, hours of typing, writing, scheduling, and sweating, to meet deadlines are the ingredients of a successful yearbook. The staff of this year's LOG, under the direction of Editor-in-chief Anne Lautenbacher, has combined these elements of hard work to produce Carey's best yearbook ever. None of this would have been possible without the guidance of Mr. Brown, Mr. Di Simone and Mr. Obrenski.

POSEIDON

POSEIDON, Carey's literary magazine, is the vehicle through which creative Careyites can display their literary talents. It is the aim of the POSEIDON staff to publish an attractive, interesting magazine that is in good taste. At the present time, POSEIDON is only in its second year of existence and is published annually, but it is hoped that next year will see the printing of both a spring and fall issue. The Carey Clipper

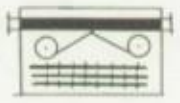
Paste-up time.



All's quiet after the deadline's been met.

Published once each month, the **Carey Clipper** attempts to cover all aspects of school events. Under the guidance of Mrs. D. Angela, the **Clipper's** advisor, and Judy Sherman, editor-in-chief, the **Clipper** staff has succeeded in turning out a first-class school newspaper.

This year, as in previous ones, the **Clipper** was entered in the Columbia Scholastic Press Association Contest, where it received an excellent rating. Representatives from our paper participated in various conferences for high-school journalists, amongst them the Empire State Scholastic Press Association Conference at Syracuse and the Columbia Scholastic Press Association Conference in New York City.

ART PALLETTES

Art Pallettes is one of the busiest clubs in Carey. The talented members of this group are responsible for many of the posters and displays viewed around the building. This service club also creatively designed showcases and was responsible for many of the Christmas decorations which made our school so attractive during the Holiday Season. Without the hard work of its members, Carey would be a much less attractive place in which to work.

FRENCH CLUB

Dedicated to studying and promoting interest in the culture of France, the Senior High French Club has had an active year.

Under the able guidance of Miss J. Mann, members of this club have been quite active. Improving their knowledge of the French language and aiding a French charity were their main projects. For the Thanksgiving Day Parade the Club aided in the construction of the Language Club float.

ATTENDANCE

Students working in the attendance office aid the administration by typing the absentee list and distributing it to all teachers. This service group has gone far beyond the call of duty in an effort to keep late cards and absent cards organized. Carrying out one of the essential procedures in Carey, these workers deserve much praise for all their fine work.

RUSSIAN CLUB

As odd as it may sound to others, the Russian Language is not that strange to those members of the Russian Club. With the help of Mr. R. Adach, these students meet once a week in order to learn to read and speak Russian. In addition, the club participated in both the Thanksgiving Day Parade and the March Jamboree.

President: Steve Schwartzman, Vice-President: Ruth Frost, Secretary: Gail Danels, Treasurer: Sharon Ehrenberg.

JR. HIGH FRENCH CLUB

Learning the culture of "la belle France," as well as new words in the French language, is the primary aim of the Junior High French Club. Under the guidance of Mr. D. Boseling, the club visited a French restaurant for a unique dinner and also participated in both the Thanksgiving Day Parade and the March Jamboree.

SPANISH CLUB

By conducting all meetings in Spanish, the Spanish Club offers its members the opportunity to use their academic training in language.

Each year, this club takes a trip to view a Spanish movie and eat in a Spanish restaurant.

This year the Spanish Club participated in the "March on Sewanhaka" by building a float with the other Language clubs. The club also participated in the March Jamboree.

GERMANOPHILES

Members of this Years German Club have shown a great deal of enthusiasm in all the projects they have undertaken. The club took part in preparing a "Hansel and Gretel" float for the March on Sewanhaka and also held a party at Christmas time. A field trip to New York City and a lunch in a German restaurant also highlighted the year.

Thanks to the creative industry and talent of the members of Art Publications all of the publications in our school have been made more enjoyable and attractive. The illustrations, cartoons, and lettering in the **Clipper, Posiedon,** and the **Log,** are the direct result of efforts made by the students in this organization.

MATHLETES

How many even multiples of 7 are there between 1 and 1,000,000 which are perfect squares? This is the type problem that a Mathlete faces when he goes into competition against the other four schools in the district six times a year. The qualifications for solving such a problem do not include knowledge of algebra or calculus, but more a basic education mathematics, combined with a keen insight and common sense. In his experiences, the Mathlete develops the ability to "see into" a problem quickly, to coordinate the facts at his disposal, and to judge the validity of an answer.

SENIOR SERVICE SQUAD

Senior Service Squad has progressed a great deal since November, when it was first organized. Since that time the Seniors who serve in this organization have gained the respect of both students and teachers alike. By monitoring the halls and stairways, Senior Service Squad has reduced the hallway confusion during the four minute period between classes and by so doing, has rendered an important service to Carey High School.

HOME ECONOMICS CLUB

The Home Economics Club is an organization offering girls the opportunity to improve their skills in all aspects of Homemaking. A great service to the school of this group is their catering at school functions. The girls do this for a small fee. During the year the club sponsors a Fashion Show, a Christmas project, and various trips to places of interest.

ADVANCED PHYSICS SEMINAR

The Advanced Physics Seminar, under the capable leadership of Mr. Cohen, enables those students who are in Physics to do extra work in this field.

This year the members worked on individual research projects and prepared demonstrations for the physics classes. This group also arranged for the presentation of lectures by prominent engineers from all over Long Island.

BUSINESS CLUB

Bettering relationships among the students and bringing the shorthand classes closer together is the goal of the Business Club. This year, the members of this club established a tutoring program for students who need special help in shorthand. Activities of this club also include helping teachers with clerical duties and donating a basket of food to a needy family at Christmas.

MUSIC

SENIOR HIGH

Under the able direction of Mr. James LaMarr, the Senior High Orchestra is an active participant in school assemblies and concerts. For the Christmas Concert, this group played several selections, including Humperdinck's "Hansel and Gretel" and a piece composed by Handel. In addition, the Orchestra has visited several local Elementary Schools where they played for the students.

Dance Band

This year, as in the past, members of Carey's Dance Band have continued to provide enjoyable music at various functions. Under the guidance of Mr. Charles Hubbard, the Dance Band meets one evening each week in order to rehearse its repertoire. This all-boy group not only plays for school dances, assemblies, and concerts, but also secures many engagements outside the school.

ORCHESTRA

This organization also renders an annual service to Carey and the graduating class, for it is they who play the traditional "Pomp and Circumstance" at graduation each June.

SENIOR CHOIR

Quality and versatility are essential to any good musical group. The Senior High Choir, with its beautiful tones and dynamic numbers, has worked hard to attain this standard. Under the direction of Mr. R. Gottshalk, this group has been transformed into a beautifully-sounding choir that has grown in both spirit and musicianship.

The choir has entertained the audiences of many concerts and assemblies with its repertoire of spiritual and classical songs. At Christmas time, the caroling in the halls was due to the effort of this group.

The Senior High Choir also takes part in each year's school musical. Last year's musical, "Finian's Rainbow," starred Elizabeth Burkley and Denny Burden and was a huge success. (See pictures at right).

Each year, the choir participates in the Nassau County competition. This year, the choir received a very high rating as the result of this competition.

JUNIOR VARSITY BAND	7TH GRADE GIRLS' CHORUS
PREP BAND	ACCORDIAN BAND

The J.V. Band is one of Carey's largest and most active clubs. The members of the organization practice during first period and receive instruction is as well as an understanding of the pieces they play. Under the supervision and direction of Mr. Hubbard they have taken part in the Christmas Concert, assemblies, and the Spring Music Festival.

In order to prepare new musicians for the future, Carey's Prep Band was organized three years ago. This group consists of seventh and eighth grade students who, upon becoming more proficient on their instruments, are promoted to the J.V. or Varsity Band.

Another musical organization within Carey is the Seventh Grade Girls' Chorus. Requirments for membership in this group include good spirit, an enjoyment of singing, and the ability to sing in parts. The Seventh Grade Girls' Chorus, which met twice each week, performed in the Christmas Concert, the Spring Music Festival, and various assemblies.

Carey High School also has the distinction of having the only Accordian Band on Long Island. Since it was formed three years ago, it has grown in membership and participated in many school functions. Under the leadership of Mr. A. Cedar, they played several selections for the Christmas assembly, and for the Thanksgiving Day Parade, the band transformed itself into a marching band.

BOYS' CHORUS	JUNIOR HIGH DANCE BAND
JUNIOR HIGH ORCHESTRA	8TH AND 9TH GRADE GIRLS' CHORUS

Composed entirely of junior high students, the Junior High Orchestra has devoted many hours to practicing and has given several fine performances in the elementary schools. The orchestra also performed in school concerts in the Junior High Christmas Program.

Like its Senior counterpart, the Jr. High Dance Band has a reputation of providing fine musical entertainment. Members of this group will eventually join the Senior Dance Band.

Still another musical group in Carey is the Boys' Choir. Under the direction of Mr. J. Garvey, this group has performed for Jr. High Assemblies and school concerts.

Striving to maintain a high musical standard, the Eighth and Ninth Grade Girls' chorus met three times each week. This group under the direction of Mrs. Newberg has taken part in the Christmas Concert, the Spring Music Festival, and various assemblies.

The varsity football season of 1962 was highlighted by a 4—4 win-loss record and by the capture of permanent possession of the "Golden Shoe." The season got off to a good start with an opening day win over West Hempstead. This year, because of a small line, Carey had to depend on an air attack balanced by a driving running game. Against Valley Stream South, the ground attack was stopped cold and the passing offense limited by a wet field.

The Seahawks then progressed to win their next two games against South Side and New Hyde Park. In these contests, the defense held the opposition to a total of just thirteen points while Carey scored 44. The Orange defense was led by Vinnie Leanzo, who was nominated to the All-Country team by the New York Daily News.

In their next three games, Carey faced the top three teams of the league. In all these contests, the Seahawks bowed to size and were defeated handily. They lost to Hewlett by a score of 39—7. The Seahawks then proceeded to lose to Elmont and Valley Stream North by scores of 26—14 and 40—7.

In the big game of the year, Carey defeated Sewanhaka to maintain permanent possession of the "Golden Shoe." The Carey scoring attack was paced by Jimmy Cromidas who scored two touchdowns and added two extra point conversions. The victory was a total team effort. Quarterback John Filose guided the Carey offense while the Seahawk defense was spearheaded by Vin Leanzo, Don Gress, and Franny Postel.

This year's team resorted to the platoon system popularized by some of the country's college teams. Carey's three squads were known as SNAP, CRACKLE, AND POP. Many of the boys will be back next year to provide more excitement and, we hope, another successful season.

Carey's track team had only a fair season in 1962. Their overall record was 6 wins and 8 losses, but the league record consisted of a fine four wins and two losses. The cindermen finished third in their division.

Last year, as usual, many new records were set. Lou Colca, captain of the team, set new records in the sprints. Lou ran the century in the sparkling time of 10.4 seconds and the two twenty in 22.7 events, respectively. Zinno and Dough Ott also set new records in the 440 and 880 yard events respectively. Zinno's time was a nifty 51.9 and Ott ran his event in 1:58 seconds.

One of the most outstanding members of the team last year was Richard Hupe. Rich set several new records this year. He ran the 180 yard hurdles in a sparkling 19.6 seconds. Hupe was also a member of the 880 relay team. Other members of this team were Lance Brunner, Doug Dudnick, and Lou Colca. They combined to run the distance in 1:55.9 seconds.

Carey sent eight boys into the section VIII meet. Members of this team were Rich Hupe running the hurdles, Ron Gruhn in the shot put, Danny Kleeman in the 880 yard run and Paul Fetscher in the 2 mile run. The Medley team also participated in the meet. Rich Hupe was sent to the State Track Meet because of his outstanding Performance in this meet. He scored the most points in more than two events, with a total of 114. Mr. Lan, coach of the track team said, "The development of freshmen and sophomores has been very encouraging. Through this, we intend to have better teams in the future."

SOCCER

Carey's soccer team for 1962 had a moderately successful season. Their record included eight wins, six losses, and two ties. Outstanding performances were turned in by Captain Bill Ciaburi and Lance Brunner. Other players who merit notice were Tom Mirabeli, Don Karlson, Mark Tannen, Al Marinacci, and Klaus Fischer.

LACROSSE

Under the direction of coach Len Roberts, last year's lacrosse team had a very successful season, compiling a 9 and 6 record overall and placing second in our league. In an exciting duel, Hempstead finally won in double overtime. With revenge in their mind, Carey beat Hempstead in the return match by the same score, 7 to 6. Outstanding players on the team were Tom Postel (captain), Ken Muller, and Mike Coffas. Postel broke the school scoring record with 31 goals and 20 assists. Returning for the Seahawks are Bob Vogel (captain), John Filose, Howie Vaux, Ken Fitzgerald, and Bruce Studier.

BASKETBALL

The 1962-1963 basketball season proved to be the finest in Seahawk history. After a sluggish league start and a third place finish in the Holiday Tournament, the Carey Cagers, under the able guidance of Coach John Holly, won eight of their last nine games to finish second in the South Shore Athletic League Section III with an excellent nine wins and five losses record. This second place finish was the highest in our basketball history and entitled the team to participate in the county playoffs, which was also a Carey first.

Richie Meyers, Jim Cromidas, John McAdam, Jim Buck, and Allan Kipnes rounded out the starting Seahawk five, while Vinny Leanzo, Ron Gruhn, Charlie Lusthaus, and a host of others capably backed them up. Big Richie Meyers, Carey's junior star, led the team in scoring and rebounding and set a new scoring record for one season with twenty-six points in one game and a season's total of over three hundred points. Jim Cromidas, Jim Buck, and Allen Kipnes provided Carey with more scoring power while the all around play of John McAdam, Ron Gruhn, and Vim Leanzo highlighted the year.

The J.V. team, under coach Jack Smith, also performed very creditably. With an eight and six league record, Carey's future varsity players showed hustle and fight throughout every game. Paul Kerner's high scoring, and the all around play of Butch Difloria, Vinny Vasbero, Howie Aveniz, and Randy Meryz, gave coach John Holly high hopes for next year.

CROSS COUNTRY

Once again, Coach Don Kelly and his country team have piled up a winning record. The final standing of ten wins and two losses is the best the school has attained in its four year history of cross country competition.

Team captains Paul Fetscher and Bruce Studier both did exceptionally well through the season. Fetscher competed in the state championships at Watertown, New York where he finished fourteenth in the state. Fetscher was also voted the most valuable player.

The harriers who will be returning next season include Jerry Breeden, Doug Doudnick, Nick Casale, Dave Duffy, and Stan Byzeski.

BASEBALL

Russ Imbrenda shows his form.

The Carey Varsity Baseball Team under Coach John Baumann compiled one of its top records in 1961-62. After finishing second in their league with an eleven and seven record, the team entered the county playoffs. In the first round the seahawks pulled one of the biggest upsets of the year by defeating previously unbeaten Mepham by the score of 7 to 4. Carey was unable to pull another upset and was defeated by Massapekqua. The entire season was characterized by an all around team effort. The fine pitching by sophomore Russ Imbrenda, junior Jim Cromidas, and Senior Charlie Sack baffled the opposing teams. The big bats of John Scott, Jim Buck, and Don Gress also highlighted the season, while John McAdam, Troy Baydala, Dennis Sax, and Dave Asher turned in outstanding all around performances for the year. John Scott's 453 league batting average and Russell Imbrenda's six wins and three loss records were individual and team highs. Looking forward to next year Coach Baumann can expect to see the bulk of his team back again. Led by Jim Bick, Jim Cromidas, Russ Imbrenda and John McAdam, Carey's varsity baseball team is aiming for the playoffs again.

Wrestling is a vigorous sport requiring much stamina and fortitude. Carey's wrestling team, led by Captain Nick Stramandi, proved to be one of high spirit and loyalty to the school. Coached by Mr. E. Slater, this year's wrestling team has gained a better knowledge of the techniques and fundamentals of wrestling.

The wrestling team, composed of more than forty boys, ended up with its first winning season in its short history.

This year, Carey defeated Elmont, its greatest rival, and by so doing, became district champions. In addition, Carey's matmen placed third in a Christmas tournament held at Mount Vernon.

J. V. TWIRLERS

Far left — Girls perform for Carey Night. Left — Virginia leads the J.V. twirlers on the march on Sewanhaka.

Starting their season quite early, the J.V. Twirlers spent the summer practicing their routine and planning new uniforms. The results of these preparations are quite obvious when the girls, in their bright orange uniforms, were led onto the field by their captain, Virginia Scherer.

These J.V. twirlers performed for J.V. football and basketball games, in pep rallies, and in various parades. Performing for Carey's first bonfire and watching our school secure permanent possession of "The Golden Shoe" provide fond memories for these girls.

Enthusiastic practice session for the J.V. Cheerleaders began early last summer. To an observer at any J.V. football game, this practice is self-evident.

Led by their co-captain, Netta Adamo and Kathy Long, the J.V. Cheerleaders constitute an active group within our school. These girls constructed a float for the March on Sewanhaka as the picture below indicates and also maintained a booth in the annual "March Jamboree." In addition, they have a parker fund in the hope of someday obtaining parkers for the J.V. Cheerleaders. Under their advisor, Miss Lynda Leonard, these girls have truly helped boost school spirit.

Due to their energetic efforts and constant practice, this year's Varsity Twirlers have been the best twirling squad Carey has ever had. Led by co-captains Sue Weldner and Nancy Ferrara, and under the guidance of Mrs. H. Parlo, these school-spirited girls have been able to successfully perform a harder and faster routine than ever before.

A familiar sight at football games, the sixteen girls of the Varsity Squad also entertained at numerous other school functions. Those who attended our pep rallies, Carey Nite, and our first annual Bon Fire can attest to the high degree of achievement these girls have attained in twirling. In addition, the twirlers marched in the Thanksgiving Day game and also had a booth in the March Jamboree.

An original group, these girls thought up a new flag routine and then made new red, white, and blue uniforms to complement it. Their originality was also shown at Carey Nite when the girls borrowed the football team's uniforms and formed their own team.

PIRETTES

Stepping brightly onto the field in their black uniforms, the Pirettes are always sure to catch your eye. Under the direction of Mrs. M. Nordman, this year's squad is made up of twenty-five attractive senior girls.

This year, the Pirettes learned two new routines, making a total of four different routines in their repertoire. The girls practiced these routines diligently in order to provide a flawless performance each and every time.

Besides performing at football and basketball games these girls also maintained a concession at home basketball games and, in the spring, they taught their routines to future Pirette hopefuls.

VARSITY CHEERLEADERS

Rain or shine, the Varsity Cheerleaders in their colorful orange, black and white uniforms brightened many a sports event with their contagious smiles and lively routines. Their original and rousing cheers lent extra enthusiasm to our pep rallies, bonfire and sports assemblies. The girls promoted the school spirit of the entire student body and urged on our basketball and football teams. Teaching cheers to the many girls who hope to someday become members of the squad rounded out the year's activities.

Girls' Intramurals is a sports organization which is sponsored by G.A.A. It gives the girls an opportunity to enjoy both inter and intra school sports events. Miss Corrado lends her assistance in supervising these activities in Volleyball, Basketball, Softball, and Field and Track. Two of the main aims of this activity are to teach the rules of the games and to provide the opportunity to practice good sportsmanship. Any girl is able to win an award by participating in these activities even if she isn't a member of G.A.A. For one years participation, a certificate is awarded, after two years, a pin is given, and after three years, a gold class numeral is awarded. This organization also has a point system by which a girl may earn her Varsity Letter. Usually, ten points per activity and twenty-five points per game are given. If a girl is persistent, she will eventually earn the required two thousand points for a letter. She must also, however, be a manager of an activity and a captain of a team. Some of the Seniors who own letters are Linda Korman, Margaret Hills, Carol Wedekind, Virginia Grasso, Regina Reed, and Melody Weinreb.

JR. HIGH CHEERLEADERS

V-I-C-T-O-R-Y, Victory, Victory — that's our cry! Resounding through the gym or across the field, this is just one of the many cheers that the Cheerleaders have used to help spur the various J.V. Teams on to victory.

In the "March on Sewanhaka," the Cheerleaders helped carry the felt banner. They took part in the other Pre-game festivities by participating in the bon-fire. This group of lively girls also sold ice cream at basketball games and had the "Lollypop House" in the March Jamboree.

The original and longest existing junior high newspaper in the district, the Careyer, strives to create a sense of unity among the students of the junior high. Since this organization was begun its staff has grown to make this club an outstanding junior high organization. Two of the outstanding features of this newspaper are its fine sports coverage and its rotating staff of reporters. The latter point gives more students the opportunity to do reporting since each issue has a different set of reporters.

JUNIOR HIGH FUTURE TEACHERS CLUB

As the name suggests, members of the Junior Future Teachers of America are those students whose future plans include teaching as a career. Under the guidance of Miss K. Fink, members of this club are given the opportunity to learn more about their chosen profession. The Junior Future Teachers of America is affiliated with both New York State Teachers Association and the National Education Association.

JUNIOR HIGH LEADER CORPS

We work hard as can be
Around the gym we run with glee
Work and play go hand in hand
For we are the leaders in Careyland.
by Miss Gasparrini

JUNIOR HIGH LIBRARY SERVICE CLUB

The main objectives of the library club are the carrying out of administrative duties, and the performance of semiprofessional or clerical tasks under the supervision of the librarian. The club encourages reading, stimulates school loyalty, develops leadership, and does its part to vitalize the intellectual life of our school. Advisors, Miss A. Apfel and Miss P. Walsh; President, Julia Liberman; Vice President, Louise Castro.

WOODWORKING CLUB

Limited to fifteen members, the woodworking club exists for those boys who have or desire woodworking experience. Under the guidance of Mr. D. Budin, the club meets once each week so that its members may work on various projects.

President: Tom Flynn
Vice-President: William Jellig
Secretary: John Ziccardi
Treasurer: William Corcoran

RED CROSS CLUB

Certainly one of the most unselfish organizations in Carey, the Red Cross Club has devoted both time and effort to the annual American Red Cross drive at Carey. The members have collected all the contributions and forwarded them to the American Red Cross. Under the guidance of Miss L. Katz, the members of this club took a junior red cross course in "the care of the sick and injured" and also took a field trip to the New York Foundling Hospital.

President: Darlene Romero
Vice-President: Betty Marchitello
Secretary: Valerie Hilton

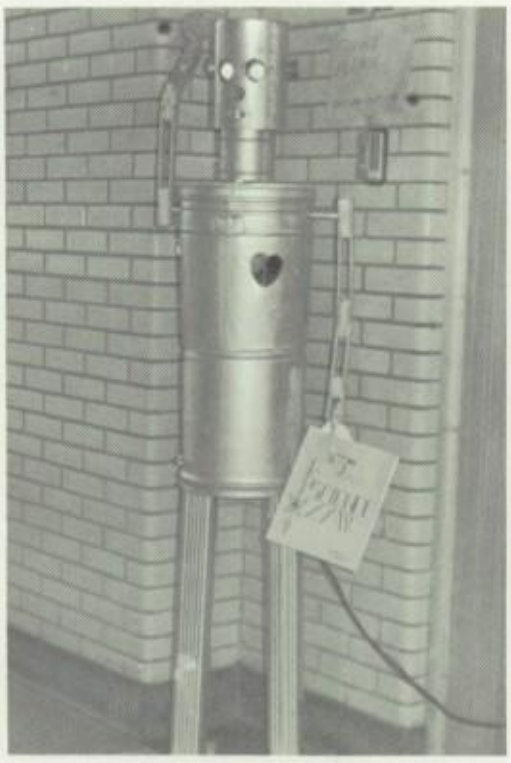
JUNIOR HIGH GERMAN CLUB

Sprechen Sie Deutsch? If you were to pose this question to the Junior High German Club, your answer would be a unanimous "YES." Under the guidance of Miss N. Reiker, this club familiarizes its members with the language and culture of Germany. This year, the Junior High German Club constructed the unique William Tell Booth that was so popular at the March Jamboree. The Club also holds an outdoor picnic at the end of the school year.

President: Lexie Stoppenbach
Vice-President: Ingrid Simenson
Secretary: Joseph Argento
Treasurer: Diane W



Above: Mr. DiSimone seems more interested in eating the cake than judging it.

Right: Marion supervises as Paul puts up the decorations for Honor Society's great dance.

Above: Al came formally dressed to all G.O. meetings during the basketball season.

Below: Students await autographs after one of the assemblies.

Above: Happy students seem to be enjoying their lessons for a change.

Right: Steve proudly accepts the Paragon Award for academic excellence.

Left: Marie begins work.

Right: The March Jamboree is always a huge success.

The Log

H. FRANK CAREY HIGH SCHOOL

FRANKLIN SQUARE • NEW YORK

June, 1963

Student Body
H. Frank Carey High School
Franklin Square, New York

Dear Reader:

Now, at the close of this book, I would like to mention a number of things that have been on my mind. Throughout the entire production of this yearbook, I have been sustained by the bouyant hope that everyone would enjoy the finished product and find in it at least one section with which they might identify themselves. The staff and I have put in many hours of work toward what we hope is the best yearbook that Carey High School has ever had. We therefore will derive a great deal of satisfaction from the knowledge that the book has been well received.

At this time, I can look back upon all the headaches involved with meeting deadlines, and realize that these were made more bearable by the fun we had in putting together the finished product and the sense of accomplishment that we derived from it. One great frustration that was encountered was providing an "ident" for a huge group picture, such as that of the Seventh Grade Chorus, of about one hundred people. It always seemed to work out that we were missing the name of just one little fellow in the last row and, because of this, had to hold up completion of the entire page. It was surprising how the sudden disappearance of such an insignificant item as a cropping pencil could also hold up production. Such minor difficulties were, however, overcome with the aid of Mr. Brown and a capable staff. At this time, I would like to take the opportunity to express my gratitude to Bob Vogel for all his assistance, especially on the Saturday afternoons before deadlines, to Karen Feinstein who faithfully did all the club write-ups when there seemed to be an infinite amount to do, and to Jane Sokolow and Terry Walline for being able to produce a page full of ads at the last minute. Special thanks also go to Charles Pearlman, my managing editor, to Maureen Long for her patience in organizing the Senior Section, even when some seniors took six months to return the proofs for their senior portraits, and to Don Karlson for his last-minute art spots. I would also like to thank Linda Schomaker and Judy Loefstedt for planning the club pictures and pacifying the photographer, Alice Galletti for always having her set of croppers ready, and last, but not least, Pete Greenfield and John Meyers for their many hours spent in film processing.

Most of all, though, the staff and I would like to express our appreciation to Mr. Brown for his great assistance in every phase of producing the book. His novel ideas and sincere enthusiasm have been an inspiration to all of us. I'm sure the yearbook could never have been completed without his guidance. Mr. DiSimone also deserves our expression of thanks for his management of our financial affairs, as well as does Mr. Obrenski for the development of the experimental type of art which is incorporated in the book. In conclusion, I hope this book brings you many happy memories both now and in future years.

Sincerely,

Anne Lautenbacher
